notes

- ◆ 2nd—Hands on in groups according to riding lessons. Members are to use the **Turn-Out Inspection** sheets as a check off for their next rating level to self evaluate their understanding of preparing to ride. We will quickly cover the leading / longing section of the standards to included tying and jogging out procedures. We will quickly discuss vaulting as a sport and go into bandaging by applying boots, polo wraps and a stable and/or shipping. Time will be a factor as to how much we cover. Handout given.
- ◆ 4th—We will use **All of the HM Standards of Proficiency** to see flow from each rating level by highlighting the Tack Section in the first group and Nutrition in the second. Members can discuss how this assists with teaching and “the next step”. We will discuss Quiz as a discipline and continue onto Tack Cleaning. Then we will discuss more Quiz how Tack / Nutrition can relate to Phases.
- ◆ Horse Work: To develop a conditioning /feeding plan. To complete Tack, Nutrition, Leading and Bandaging sections of Prep Guide.

notes

- ◆ 6th— Bring boots and bandaging materials for your next rating level—can share. Some were able to apply March 4th , we will continue practicing. We can do leading check-off's for those that are ready. For this bring your check-list so this section can be signed off for your next rating level. You may have a riding section that can be signed off as well. Ask your riding instructor.
- ◆ 8th—All bring your prep guides for your next rating level. You could work towards having the leading / longing, tack and nutrition sections complete. Those that have a conditioning / feeding schedule plan to show at their next rating can bring this as well. The first group will discuss foxhunting as a sport, some terms of foxhunting, how to tie a stock tie and cover attire. There is a USPC Foxhunting Writing Contest all members can do, due May 1st. We will then discuss the Prep Guides, both groups will. The second group will discuss teaching and lesson plans.
- ◆ Horse Work: Prep Guides Presentation / Turn-Out / Tack, Bandaging, Horse Sports and Teaching. 2nd grp. Lesson Plans. Foxhunting.

notes

- ◆ 4th - Bring blankets or sheets (coolers, flysheets etc. too). Travel Safety Checklist and discuss with the various trailers available.
- ◆ 6th— We plan to cover the foot and shoeing with both groups. Give a sheet to remind them to get information from farrier on size of shoe, type of shoe, nails and to ask the farrier how to remove a shoe in an emergency. (Dependent upon next appointment then add information to the Record Book). A member that has turned in a lesson plan that is correct will teach their topic, possibly one at each group. Their teaching will be evaluated. (10 minutes each—they bring their lesson plan, props and teach for the 10 minutes). Goal—for each member to have taught once prior to the regional Teaching Clinic October 9th.
- ◆ Horse Work: Prep Guide for Travel Safety and The Foot and Shoeing. Lesson Plans Due. Will be available to continuously look at Record Books, Conditioning Plans, Lesson Plans and answer questions.
